About Us

For more than 30 years, we've been committed to providing communities across the Lake Chelan Valley with quality heating and air systems backed by first-rate service.

We understand that your indoor climate system should be unique, based on your specific sense of comfort. The best equipment can't afford to be put on "back order," so we always make sure to stock what we sell. Vehicles come fully supplied with repair materials to ensure our technicians are well prepared. Plus, if you have any questions or comments, our friendly office staff is always more than willing and able to help. Give us a call at 509-682-2128 or stop in and see us!
